# Un viaggio tra luce, freschezza e autenticità

La collezione Primavera-Estate 2025 si ispira ai colori e alle atmosfere che trasformano ogni ambiente in un racconto di stile. Un dialogo tra luce, freschezza e autenticità si riflette nei tre mood della stagione, ciascuno pensato per esprimere un carattere unico e inconfondibile.

Velluto Solare illumina con tonalità vibranti e sofisticate: il viola intenso e il crema delicato si intrecciano con accenti dorati per ambienti che trasmettono energia ed eleganza senza tempo.

Riviera Turchese richiama l'armonia delle coste mediterranee, combinando il candore del bianco neve con verdi cristallini e sfumature di vetro di mare. Un invito a vivere la freschezza e la leggerezza della natura.

Essenza Terrestre è una celebrazione della bellezza autentica, con nuance calde come il corallo dorato e l'albicocca che avvolgono gli spazi in un'atmosfera intima e accogliente.

Lasciatevi guidare dai nostri mood e dalle loro sfumature. La collezione Primavera-Estate 2025 è un viaggio verso una nuova dimensione di stile, dove ogni dettaglio racconta una storia unica.

Sperimentate. Create. Abitate.
